3 buck for 3 survey missions. Not worth it.. Loved the DLC's - last one got my fingers sweat. Top class gear highly recommended.

Got a lot of rare materials in no time.

TATAKAE!!11. Only reason I would see buying this set of episodes is for getting rare materials and military funds faster. The missions aren't too hard but in the end they pay off. Mission 1 can give you materials you normally get from body eliminations for rewards when completeing the mission. Mission 2 has a base reward fund of 50k on normal attack and a base reward fund of 100k on True attack. Mission 3 pretty much has all the strong titans including the colossal titan.. so what did i pay for? is this more main missions or what. Loved the DLC's - last one got my fingers sweat. TATAKAE!!! 3 buck for 3 survey missions. Not worth it.. DLC is amazing!! Cant wait for new ones!! The last mission was amazing I was hoping for something like this!! Fighting the Female Titan, Armoured Titan, Colossal Titan AND Beast Titan all in the final mission had me on the edge of my chair for teh whole battle!! I would love more boss battles like this in the future!! Keep up the amaazing work and I hope the next DLC is as good or better!! <3
